BREAKFAST

Breakfast is served from 8.00am-9.00am daily Monday-Saturday and 8.30am-9.30am on a Sunday.

NO SMOKING

Please note that Driftwood B&B is strictly a no smoking Bed & Breakfast. If you wish to smoke please do so away from the property and the grounds. Any guests found to be smoking on the premises will be asked to leave and fined £250.

NEWSPAPERS

If you require a daily newspaper please let us know on your arrival and we will make the arrangements to have your paper of choice ready for you to enjoy at breakfast time.

CHECKING OUT

You are politely asked to vacate your room by 10.00am on the day of your departure. Your final bill will be ready for you to check on the morning of your departure and the proprietors will be available to make your check-out efficient and easy.

FOOD & DRINK IN ROOMS

You are kindly requested not to bring food/take away food into your room, or red wine. There are pubs and restaurants in the village, as well as a good fish and chip shop with a cafe attached, although we prefer the view on the beach!

FIRE EVACUATION

In the unlikely event of a fire, or on hearing the smoke alarms, please vacate your rooms via the main staircase and meet at the fire assembly point on Station Road at the front of the house. Fire doors are fitted to all rooms and emergency lighting will light your way to the main doors.

CONTACT INFORMATION

If you require any assistance during your stay please feel free to call Wendy or Rachel anytime on 01407 811312 or 07909913811 and we will be happy to help.

LOCAL INFORMATION

We are members of North Wales Tourism and for your information we have placed a guide on the main attractions on Anglesey and North Wales for you in your room. However, if you would like further information on what to do or see or good places to eat out please just ask!
